JUNE 2015 DISTRIBUTION ESTIMATE

The Directors of BWP Management Limited, the responsible entity for the BWP Trust, today announced the following preliminary distribution estimate and other relevant distribution details for the six month period to 30 June 2015.

Relevant dates:

- the ex-distribution date is 26 June 2015,
- the record date is 30 June 2015,
- the last date for elections for the distribution reinvestment plan is 1 July 2015.

In accordance with the Trust's constitution all distributable profit will be distributed. The estimated distribution, based on unaudited accounts, is 8.1 cents per unit. It is expected that there will be no conduit foreign income included in the distribution.

The actual distribution will be considered at a meeting of the BWP Management Limited board of directors scheduled for 5 August 2015 and payment of the distribution entitlement is expected to be made on 27 August 2015.

The advice to be sent to unitholders with payment in August 2015 will include details of the tax advantaged components of the distribution for the full year ending 30 June 2015.

The distribution will be subject to the Trust's distribution reinvestment plan (DRP). The allocation price for the units under DRP will be calculated as the average of the daily volume weighted average unit price on each of the 20 consecutive trading days from and including 6 July 2015 to 31 July 2015. The Directors have determined that no discount shall apply to the allocation price and the DRP will not be underwritten. Units to be allocated under the DRP will be acquired on-market and transferred to participants on 27 August 2015. A broker will be engaged to assist in this process. Participation in the DRP is open to all unitholders whose addresses are in Australia and New Zealand.
