## MANAGING DIRECTOR APPOINTMENT

---

The Board of BWP Management Limited, the responsible entity for BWP Trust, is pleased to announce that Mark Scatena will succeed Michael Wedgwood as its Managing Director.

The appointment of Mr Scatena follows the announcement on 27 June 2023 in relation to BWP's current Managing Director, Michael Wedgwood's intention to retire in the second half of calendar year 2023. This will allow time for an effective handover process with Mr Wedgwood.

It is planned that Mr Scatena will take up his appointment as Managing Director towards the end of September this year.

Mr Scatena joined the Wesfarmers Group in 2001 and has held senior roles across WesCEF<sup>1</sup>, Target, Coles and Wesfarmers. Most recently he was General Manager of CSBP Fertilisers and has previously held leadership positions at Target, including as Chief Financial Officer; at Wesfarmers as General Manager Investor Relations and Planning; and at Coles where he was General Manager Finance, supporting the store development, store operations and property functions.

Mr Scatena brings strong financial and commercial acumen, together with extensive knowledge of retail property operations and capital markets.
