# OUTLOOK

# OUTLOOK

## Operating environment

- > The Trust remains well positioned operationally with the significant majority of rental income from Bunnings and other national large format retailers which have been trading well
- > Demand for Bunnings Warehouse properties is expected to remain relatively stable in near term given the ongoing low interest rate environment and strength of the Bunnings covenant attracting strong investor support

## Rental growth

- > 49 CPI/ 48 fixed rent reviews in FY2022
- > Eight Bunnings MRR's to be finalised in FY2022 (in addition to 13 unresolved from FY2021)

## Portfolio

- > Primary focus for the remainder of the financial year is on leasing vacancies in the portfolio, progressing store upgrades, and extending existing leases with Bunnings through the exercise of options
- > The Trust will continue to look for opportunities to grow the portfolio that create value for the Trust

## FY2022 distribution

- > Subject to there being no major COVID-19 or other disruption of the Australian economy, the Trust could expect the distribution for the year ending 30 June 2022 to be similar to the ordinary distribution paid for the year ended 30 June 2021. Capital profits may be utilised to support the distribution
