SUCCESSFUL COMPLETION OF INSTITUTIONAL ENTITLEMENT OFFER

BWP Group ("**BWP**") is pleased to announce the successful completion of the institutional component (the "**Institutional Entitlement Offer**") of its fully underwritten 1 for 12 accelerated non-renounceable pro rata entitlement offer to raise approximately \$228 million at a fixed issue price of \$3.77 ("**Issue Price**") per new security ("**New Security**").

Highlights

- The Institutional Entitlement Offer received strong support from BWP's institutional securityholders, with a take-up rate of approximately 98%
- The Institutional Entitlement Offer raised gross proceeds of approximately \$122 million, including Wesfarmers' full entitlement of approximately \$53 million

Those securities not taken up by existing institutional securityholders under the Institutional Entitlement Offer also attracted demand from other existing and new securityholders. Approximately 32 million New Securities will be issued under the Institutional Entitlement Offer at the Issue Price.

New Securities to be issued under the Institutional Entitlement Offer will rank equally among the existing securities on issue and are expected to commence trading on Monday, 18 May 2026.

BWP securities will recommence trading with effect from the commencement of trading today.

Mr Mark Scatena, Managing Director of BWP, said that BWP was delighted with the strong level of support received from BWP's existing institutional securityholders. "Pleasingly, the take-up rate in the Institutional Entitlement Offer reflects an endorsement of BWP's strategy and the quality of its portfolio."

Retail Entitlement Offer

The Retail Entitlement Offer will open at 9.00am (AEST) on Tuesday, 12 May 2026, and close at 5.00pm (AEST) on Friday, 22 May 2026.
